This quaint small town is the 'Christmas Capital of Ontario' and it's pure Hallmark magic

-Madeline Forsyth

-Narcity Media

Twinkly store windows, snow-dusted streets, cafes filled with the scent of cinnamon, and cozy little shops await in this magical Ontario small town. You'll feel like you've stepped into a scene from a Hallmark film as you wander through the village, sipping a warm drink and soaking up the holiday cheer. It's a magical place to visit during the holiday season, and it's only a short road trip from Ottawa.

Almonte is a cozy little gem perched along the shores of the Mississippi River. The former mill town is brimming with old-world architecture, scenic views, and small-town charm, making it a stunning spot to visit for a day trip or weekend escape. Known as the "Friendly Town," Almonte is only an hour away from Ottawa and offers picturesque trails, unique events, cute boutiques, and delicious eateries.

Almonte is a beautiful place to explore year-round, but Christmas brings an extra touch of magic to the scene. The village transforms into a sparkling wonderland straight off a holiday card, with twinkling lights, festive decorations, and cozy shops. The town is so magical that it has served as the backdrop for many festive films, earning it the nickname "Hallmark Capital" of Ontario and the "Christmas Capital of Ontario". Movies such as Unlocking Christmas, The Christmas Setup, and A Chance for Christmas have been filmed here, proving that this small town is a Christmas destination both on-screen and in real life. You can even take a self-guided tour of filming locations throughout Almonte, which leads to charming shops, landmarks, and more.

There's no shortage of things to do in Almonte during the holiday season. From festive events to cozy experiences, it offers endless movie-worthy magic. You can get some holiday shopping done along historic Mill Street, where you'll find antiques, galleries, fashion items, and more. Spots like Tin Barn Market and Cheerfully Made offer unique gifts and treasures for everyone on your list. Don't miss out on Hummingbird Chocolate, home to the "best chocolate bar in the world" and other sweet treats. The town boasts some cozy cafes perfect for warming up on a chilly day, such as North Market Almonte, Ottawa Valley Coffee, and Equator Coffee Roasters.

On December 5, you can attend the annual Light Up the Night event, a wintry open-air concert featuring live entertainment and a magical fireworks display. The celebration draws thousands of people from the region and beyond for "one of the largest and most magical outdoor Christmas shows in Canada," according to Mississippi Mills. The Almonte Christmas Parade is taking place on December 7 this year, featuring beautiful lights, hot chocolate, and more. You can also head to the Mill of Kintail Conservation Area for Kintail Country Christmas on December 13. The area will be transformed into a holiday wonderland complete with horse-drawn wagon rides, visits with Santa, food trucks, and more.

If you're looking for a magical spot to explore this holiday season, the "Christmas Capital of Ontario" will make you feel like you've stepped into a Hallmark movie.

Conrad Gerde
January 6, 1984 - November 13, 2025

With extremely heavy hearts we say goodbye to a loving and kind husband, dad, son, brother, uncle and friend. On November 13, 2025, Conrad Larry Gerde of Coronach SK passed away unexpectedly, yet peacefully, surrounded by his family, at the age of 41.

Conrad was born in Regina, SK on a cold and stormy January 6, 1984 to Larry and Mary Ann Gerde. He joined big sisters Alanne and Kristen to complete the family.

Conrad was a rambunctious child, attending Coronach School from K-12. He enjoyed his school days and liked to go back and admire his collection of athletic banners from his glory days.

After graduating high school in 2002, he worked very briefly in the Alberta oil fields before moving to Medicine Hat to live with his sister Kristen and work for a playground equipment company. After a year there, he moved to Regina to live with his other sister Alanne and try a semester of university. It wasn't for him, so next he joined some buddies core sampling for Luscar.

During this time, Conrad met the love of his life, Raelynn Hesjedal, while ringing in 2005 at a New Year's Eve cabaret in Bengough, SK. They quickly became inseparable.

After Conrad completed his power engineering 4th class ticket in Estevan, they made a brief stop in Weyburn where he worked at the Co-op Ethanol Complex before he secured a job at the SaskPower Poplar River Power Station in 2007 and they moved back home.

They were married on December 1, 2007 in Bengough and settled into their newly built house in the town of Coronach. They remained there until 2017 whereupon they moved out to the family farm.

Conrad continued to work at SaskPower until 2021 when he retired to focus on farming full-time. Conrad and Rae welcomed three beautiful children through the years. Marlee was born in 2008, Karis came next in 2011 and finally Cohen in 2013. They loved their farming and ranching lifestyle and working together as a family to run a beef and grain operation with horses, chickens, cattle dogs and barn cats in the mix. The Gerdes made sure to take time to make as many family memories as possible by camping, taking trips and supporting their kids extracurricular activities which included music, school sports, baseball, 4-H and barrel racing.

Conrad enjoyed hunting, fishing, slow-pitch and singing. He was also involved in curling and was the proud president of the Coronach Curling Club. He was a devoted supporter of the Saskatchewan Roughriders, Toronto Blue Jays, Austs, Big Beaver General Store and the Badland Country Band. He was an active member of his community, always willing to lend a hand. He was available for anyone and everyone. Conrad was diagnosed with cancer in early 2024 and fought the disease with bravery and positivity until his passing.

Conrad is survived by his wife Raelynn, three children Marlee, Karis and Cohen, his parents Larry & Mary Ann, sisters Alanne & Paul Lapierre and Kristen & Kevin Whelen and their families; in-laws Todd Hesjedal (Susan Guraluick), Nadine (Randy Schmaltz), brother-in-law Blake; Stacey Hesjedal, sisters-in-law Kimberley & Pete Wright and Aimee & Jarret Loehndorf, numerous nieces, nephews, aunts, uncles, cousins and many many dear friends.

The family would like to thank the staff at the Allan Blair Cancer Centre in Regina and the ICU team at Royal University Hospital in Saskatoon for the excellent care he received.

A Celebration of Conrad's life was held Saturday, November 22, 2025 at 2:00 pm in the Coronach Curling Rink Interment at the Buffalo Gap Cemetery followed by fellowship and lunch. Donations in Conrad's memory were made to the Coronach Curling Club, an organization that was close to his heart and one where he dedicated a lot of his time. Fond memories and expressions of sympathy for the Gerde family may be shared at www.rossfuneralservice.com. Arrangements entrusted to Ross Funeral Service, Assiniboia, SK. The family appreciated your presence at the service, however, for those who could not be present, they were invited to join the Livestream.

Wishing everyone a Merry
Christmas and all the best in
2026! May God bless you all

Christmas Memories of an Angel in Heaven

There's a special place
Beyond the skies above
Somewhere very peaceful
That is full of light and love

That special place is Heaven
Where you're free to laugh and roam
It was your time to go there
So the angels took you home

And though you're in our thoughts
Each single day throughout the year
At special times like Christmas
We all wish you could be here

Now you're in a better place
Your soul is laid to rest
Safe with all the angels
For they only take the best

People we've known and lost in 2025. Love and hugs to families and friends missing a loved one this season.

Coronach School Christmas Concert Survival Santa

Tuesday, December 09, 2025
7:00PM

The first day of winter in the Northern Hemisphere is marked by the winter solstice, which occurs on Sunday, December 21, 2025.

The winter solstice is the day with the fewest hours of sunlight throughout the year, making it the "shortest day" of the year. Thankfully, after we reach the winter solstice, the days begin to grow longer and longer again until we reach the summer solstice—the first day of summer and the longest day of the year.

Think of it this way: Although the winter solstice means the start of winter, it also means the return of more sunlight. It only gets brighter from here!

Coronach New Horizons

Well we have been wondering when the white
stuff was coming and after Monday afternoon
we know.

I must say it does look a lot more like Christmas
with the snow and I see quite a few Christmas
lights up.

The Drop In held a Potluck Supper on
November 9. Not a big crowd but pretty yummy
food.

We are having our Annual Membership
Christmas Supper on Sunday November 30
Coffee and cards still on Monday, Wednesday
and Friday at 3pm.

Thursday is Smear Tournament at 1:30pm.
Everyone welcome!!

*We would like to wish all a Merry
Christmas and a Happy New Year.*

Name the Christmas movie from this quote.....

1. "Is this toothbrush approved by the American Dental Association?"
2. "Can I refill your eggnog for you? Get you something to eat? Drive you out to the middle of nowhere and leave you for dead?"
3. "No, you'll shoot your eye out."
4. "Look, Daddy. Teacher says, every time a bell rings an angel gets his wings."
5. "Good grief."
6. "What if he thought, Christmas doesn't come from a store? What if Christmas perhaps means a little bit more?"
7. "Nobody's walking out on this fun, old-fashioned family Christmas. No, no. We're all in this together."
8. "Merry Christmas, ya filthy animal"
9. "Seeing is believing, but sometimes the most real things in the world are the things we can't see."
10. "It's all HUMBUG, I tell you. HUMBUG!"
11. "I'm Dreaming Of A White Christmas"
12. "Oh, Christmas Isn't Just A Day, It's A Frame Of Mind"
13. "I just like to smile; smiling's my favorite."
14. "We elves try to stick to the four main food groups: candy, candy canes, candy corn, and syrup."
15. "Is your house on fire Clark?" No Aunt Bethany those are the Christmas lights"
16. "God bless Us, Every One!"

Saskatchewan Poem

It's winter in Saskatchewan
And the gentle breezes blow
Seventy miles an hour
At thirty-five below.
Oh, how I love Saskatchewan
When the snows up to your butt
You take a breath of winter
And your nose gets frozen shut.
Yes, the weather here is
wonderful

So I guess I'll hang around
I could never leave
Saskatchewan
'cause I'm frozen
to the ground!

Bylaw Changes Please note an Official Community Plan amendment and Zoning Bylaw amendment were passed at the November 12, 2025 Council Meeting and were sent to Community Planning, Provincial Government Branch for final approval. Note that fences were deleted from the Zoning Bylaw as requiring a development permit; however, section 4.8 in the original Zoning Bylaw (Bylaw 1.2018) still is in effect for those wishing to construct a fence. This outlines the setbacks, height requirements, and where fences can be constructed. If you have any questions, please do not hesitate to contact the Town Office. We would be happy to help!

Council has passed Bylaw 9.2025 Various Fees Bylaw, which outlines custom work charges, assessment fees, garbage bin rentals, etc. In addition, Bylaw 10.2025 Golf Carts on Public Roadways was changed to allow golf carts on all public roadways (not just from your residence to the Golf Course), except on highways. A sticker and permitting fee would be required. This Bylaw has been sent to SGI for final approval. Stickers and permitting will commence after the Bylaw is approved. Some other Bylaw updates: Establishment of a Museum Association, Tourism Committee Amendment, and a new Transfer Site Bylaw. All Bylaws can be found on the Town Website under "Government" then "Bylaws & Policies".
