

It's hard to believe on some days, but before we know it, the swimming pool will be open for the 2026 season! We've been working hard to prepare for this year, including putting up signage to recognize and acknowledge the many people who have contributed to making the pool possible. We are so grateful for every contribution. It is never our intention to leave anyone out. If you have contributed and do not see your name on the list please reach out to us to make it right - Heather @ 267-7247 or Kelsey @ 291-7086. I am sharing this list to ensure we have included everyone and I sincerely apologize in advance if anyone has been missed.

Coronach New Horizons

Welcome to spring everyone!! At least I think it is spring!! I have some friendly robins singing in the back yard anyway.

We held a Pot Luck Supper on Sunday March 15. As usual good food and good company. Thank you to all who came out and those who did the set up and those who helped with the cleanup.

We held our regular meeting as well as our Annual Meeting on Friday, March 20 @ 2pm. Our Executive and Board members are as follows: President, Lyla Payne, Vice President, Morris Kuski, Secretary, Sharon Adam. Treasurer, Betty Kessler. Plus Board members, Dorothy Johnstone, Mable Shain, Jack Jenzen and Elaine Jenzen. To rent tThe Drop In call Betty Kessler 306 265-7613. Dues are Due!!! Membership dues are \$15.00.

We are having a Soup and Sandwich fundraiser on Wednesday April 22. Time; 11am to 1pm.
\$15.00 for homemade soup, sandwich and dessert. 50/50 draw, 10 tickets for \$5.00.

I am sure some in the community may wonder why we have fundraisers. The answer is like all organizations with property have expenses that have to be met. Last year we had to put a new roof on the building. This year the time is coming when we need to take a serious look at our furnace before another winter. Also our ramp at the entrance needs some tender loving care. We are able to apply for a grant from New Horizons for Seniors program but that does not mean we will always be successful and doesn't always completely cover the expense. I hope this explains some questions you may have. Then of course there are property taxes, power and water and sewer expenses. So you see our fundraisers are not just for the fun of it. We so appreciate those who help us out by coming out to that little pot luck supper or those who rent our building. This is our community and we are trying to keep this building going for as many years as we can. So thank you to our community from the bottom of my heart for giving us the support as you are able.
